Detail-oriented and creative UI/UX Designer with a strong foundation in user-centered design and front-end principles. Skilled in creating wireframes, prototypes, and responsive interfaces using tools like Figma. Experienced in collaborating with developers and product teams to ensure seamless design-to-development handoff and consistent user experiences. Known for improving usability, identifying design inconsistencies, and delivering visually appealing, functional digital products. Seeking an opportunity to apply design thinking and user research skills to craft impactful and intuitive user experiences.

EXPERIENCE

UI / UX Designer

Sukedhara-04, Kathmandu

Void Nepal Pvt Ltd

Jun, 2022 - Jun, 2023

- Designed and delivered intuitive user interfaces and responsive prototypes for web and mobile applications, improving overall user satisfaction and engagement.
- Conducted user research, usability testing, and feedback analysis to guide design decisions and ensure user-centered outcomes.
- Collaborated with developers, product managers, and stakeholders to translate business requirements into functional design solutions.
- Created wireframes, mockups, and interactive prototypes using Figma/Adobe XD, ensuring consistency with brand guidelines.
- Applied modern design principles (accessibility, minimalism, responsiveness) to enhance product usability and customer experience.

Design Lead

Sukedhara-04, Kathmandu

Void Nepal Pvt Ltd

Jul, 2023 - Jan, 2024

- Led a cross-functional design team to deliver web and mobile experiences, ensuring consistency, accessibility, and modern design standards.
- Directed end-to-end UX process including research, wireframing, prototyping, and usability testing to improve user satisfaction and retention.
- Mentored junior designers and established design workflows, boosting collaboration speed between design and development teams.
- Collaborated with stakeholders to align business goals with user-centered design strategies, resulting in measurable product improvements.
- Championed design system adoption, reducing design-to-development turnaround time and maintaining visual consistency across projects.

UX Lead

Sukedhara-04, Kathmandu

Codynn

Feb, 2024 - Mar, 2025

- Spearheaded the UX strategy and design direction across multiple digital products, ensuring seamless and user-centered experiences.
- Conducted and supervised user research, journey mapping, and usability testing, translating insights into actionable design improvements.
- Led and mentored a team of designers, fostering a collaborative culture and improving design efficiency through structured workflows.
- Partnered with product managers and engineers to align UX solutions with business objectives, improving product adoption and retention rates.
- Established and maintained a scalable design system, reducing inconsistencies and cutting design iteration time significantly.
